## Open Exchange June 2021 Release

## WHAT'S NEW

App owners can rename **"Download"** button

More user friendly **submission flow**

- reviews
- companies

New way to **upload** logos

And lots and lots **productivity improvements**

Hi developers!

We are glad to share what we have new in June [Open Exchange](#) release:

- Change Download button name
- New submissions flow
- New way to upload logo

### Action button name

Now you can choose the name of the action button:

Action URL \*

Category \*

Action button name \*

Download - if the link leads to the download solution page

GitHub - if your link leads to the GitHub repo

Learn more - if the link leads to some other page with the solution or application description

**Better UX for submission flow**

Now you can send your review for the submission just after you wrote the review
