Webinar: Implementing Your Data Fabric with InterSystems IRIS

Hey Community,

Join the next InterSystems webinar "Implementing Your Data Fabric with InterSystems IRIS" on June 22 at 11:00 AM EDT to learn:

- How you can access, transform, and harmonize data from multiple sources, on demand, and make it usable and actionable for a wide variety of business applications at the convergence of transactions and analytics.
- Why leading analysts are predicting that data fabrics are the future of data management, and how a modern data platform can speed and simplify these kinds of initiatives.
- How the features and benefits in the new release of InterSystems IRIS® data platform and InterSystems IRIS for Health™ 2021.1 can help your organization.

Speakers:
 @ Benjamin De Boe, Product Manager, InterSystems
 @ Joe Lichtenberg, Director of Product & Industry Marketing, InterSystems
 @ Carmen Logue, Product Manager, Analytics & AI, InterSystems
