Live Virtual Classroom Training Schedule Available through October 2021

Hello!

The schedule into October 2021 for live virtual classroom training with hands-on exercises is available at classroom.intersystems.com.

In particular, we'd like to highlight a few courses currently only available once through October:

- July 13-15: [HealthShare Patient Index](#)
- July 19-23: [InterSystems Change Control - Tier 1 Basics \(CCR\)](#)
- September 13-17: [Using InterSystems Embedded Analytics](#)
- September 14-15: [HealthShare Unified Care Record Overview](#)

[Click here](#) to register for a course!

As always, we also provide the option to schedule a class specific to your company. Simply [fill out the contact form](#) or email education@intersystems.com.
