Video: Creating an HL7 v2 to FHIR Transformation Pipeline with S3 Target

Hi Developers,

A new video is already on [InterSystems Developers YouTube](#):

[Creating an HL7 v2 to FHIR Transformation Pipeline with S3 Target](#)

Transform HL7 version 2 messages to HL7 FHIR R4 resources, and deposit the resources into a cloud-based healthcare data repository using InterSystems FHIR Transformation Service and s3 Buckets.

A [simple step-by-step guide](#) on how you can sign up for a free AWS account and a free InterSystems Cloud Portal account and exercise the powerful functionality of the transformation services. For more information, [read about InterSystems FHIR Transformation Service](#) in InterSystems documentation.

[We want your feedback!](#)

Stay tuned!
