Webinar in Spanish: ObjectScript - Persistence and Integration

Hi Community,

We're pleased to invite you to the upcoming webinar in Spanish called "[ObjectScript - Persistence and Integration](#)"!

Date & Time: July 19, 4:00 PM (CEST)

Speaker: [@David Reche](#), Manager of the Dev Community in Spanish

At the webinar, we'll keep on introducing ObjectScript, InterSystems's programming language. We'll work with Persistent Classes and start to work with Productions to integrate systems.

The webinar is aimed at developers starting to use ObjectScript and at those who want to review concepts.

At the end of the webinar, there will be an online quiz, so you will be able to show off what you have learned! Winners will win an InterSystems polo shirt... and some other cool awards!

Note: the language of the webinar is Spanish.

We are waiting for you!
