Video: Best Practices for In-Platform AI

Hi Community,

Please welcome the new video on [InterSystems Developers YouTube](#):

[Best Practices for In-Platform AI](#)

Learn about best practices for working with your AI/ML solutions in InterSystems IRIS data platform, including optimizing real-time decision-making and distributing these applications in DevOps environments.

[Convergent Analytics repository](#)

Presented by [@Sergey Lukyanchikov](#), Sales Engineer, InterSystems

Enjoy watching and stay tuned with [InterSystems Developers YouTube](#)!
