Video: Embedded Python: Bring the Python Ecosystem to Your ObjectScript App

Hey Developers,

Enjoy watching the new video on [InterSystems Developers YouTube](#):

[Embedded Python: Bring the Python Ecosystem to Your ObjectScript App](#)

Learn how to easily access thousands of Python libraries from your InterSystems ObjectScript application, and find out how to use the image processing library of your choice with the embedded Python feature in InterSystems IRIS data platform.

Presented by [@Bob Kuszewski](#), Product Manager - Developer Experience, InterSystems

Subscribe to [InterSystems Developers YouTube](#) and stay tuned!
