Video: iKnow: Open Source NLP in InterSystems IRIS

Hi Community,

Enjoy watching the new video on [InterSystems Developers YouTube](#):

[iKnow: Open Source NLP in InterSystems IRIS](#)

Learn about this open-source NLP technology and its unique approach to text analytics. See how the new Python library works, and learn about the exciting journey towards a robust public CI/CD pipeline.

Presenters:

[@Benjamin De Boe](#), Product Manager, InterSystems

[@Aohan Dang](#), Systems Developer, InterSystems

Enjoy and stay tuned!
