## Video: Getting Up to Speed on InterSystems API Manager

Hi Community,

Enjoy watching the new video on [InterSystems Developers YouTube](#):

[Getting Up to Speed on InterSystems API Manager](#)

Get a walkthrough of the newest features of InterSystems API Manager (IAM), which offers full API management capabilities for InterSystems IRIS data platform; and get a brief introduction to the basic concepts of API management.

Presenter: [@Stefan Wittmann](#), Product Manager, InterSystems

Enjoy and stay tuned!
