Webinar in Spanish: IntegratedML - Creating ML models in minutes

Hi Community,

We're pleased to invite you to the upcoming webinar in Spanish called "**IntegratedML - Creating ML models in minutes**"!

Date & Time: September 30, 4:00 PM (CEST)

Speaker: @Eduardo Anglada, Sales Engineer, InterSystems Iberia

The webinar is aimed at developers who want to create Machine Learning models. You don't have to be an expert, just need a basic knowledge of SQL.

At the webinar, we'll predict if NASA has discovered exoplanets (planets beyond the Solar System). We'll use the results of NASA's **Kepler** telescope and also **IntegratedML**, the machine learning (ML) module for InterSystems IRIS.

So... join us to explore deep space!

Note: the language of the webinar is Spanish.

We are waiting for you!
