InterSystems DataSets Contest Kick-off Webinar

Hi Community,

We are pleased to invite all the developers to the upcoming [InterSystems Datasets Contest Kick-off Webinar!](#) The topic of this webinar is dedicated to the [Datasets contest](#).

In this webinar, we'll do a quick tour of the new LOAD DATA feature, also chime in on packaging global data or file data with ZPM, and run a data-generation script as part of a method in the zpm install.

As always, our experts will answer the questions on how to develop, build, and deploy datasets using InterSystems IRIS.

Date & Time: Tuesday, December 28 – 10:00 AM EDT

Speakers:

[@Benjamin De Boe](#), Product Manager, InterSystems

[@Evgeny Shvarov](#), InterSystems Developer Ecosystem Manager

So!

We will be happy to talk to you at our webinar in [Zoom!](#)
