So what are our product teams working on? Here's the best way to find out.

Hi Community,

Just a reminder to [REGISTER](#) for Virtual Summit. So many takeaways ... for example

A promotional banner for the InterSystems Virtual Summit 2021. The background is a dark teal color. In the top left corner, the InterSystems logo is displayed in white, with 'VIRTUAL SUMMIT 2021' in smaller white text below it. To the right of the logo, the dates 'OCTOBER 26 - 29' are written in a bold, orange font. The main headline, 'What's New? What's Next?', is centered in a large, white, sans-serif font. Below the headline, a paragraph of text in orange font reads: 'Curious? The best way to see what's around the corner for our technologies is to attend this year's Virtual Summit. Get the latest scoop from Day 2 (October 27) presentations by our product leads. Follow up by attending related on-demand technical Focus Sessions.' At the bottom left, there is an orange rectangular button with the text 'Register Now' in white. The right side of the banner features a series of overlapping, curved, translucent lines in various colors (orange, yellow, green, blue, pink) that create a sense of motion and depth.
