It's not too late to register.

Hi Community, you can still register for Virtual Summit.

A promotional banner for the InterSystems Virtual Summit 2021. The background is a dark teal color. In the top left corner, the InterSystems logo is displayed in white, with 'VIRTUAL SUMMIT 2021' in smaller white text below it. To the right of the logo, the dates 'OCTOBER 26 - 29' are written in a bold, orange font. The main headline, 'Certification Exams Free for Registrants', is centered in a large, white, sans-serif font. Below the headline, four certification tracks are listed in a smaller, orange font: 'InterSystems IRIS Core Solutions Developer Specialist', 'HealthShare Health Connect HL7 Interface Specialist', 'HealthShare Unified Care Record Technical Specialist', and 'HealthShare Patient Index Technical Specialist (Beta)'. At the bottom left, there is an orange rectangular button with the text 'Register Now' in white. The right side of the banner features a colorful, abstract graphic of overlapping curved lines in shades of blue, green, orange, and pink.

Bonus for registrants: free certification exam attempt. Registrants get one free attempt at a certification exam. (Take exam before December 31.) Don't wait. [Register today](#).
