How CCR is used to move InterSystems Reports

Happy #VSummit21 week!!

CCR users should check out the following Virtual Summit '21 session by [@Jean Millette](#):

[Drinking Our Own Champagne: InterSystems AppServices Move from Zen Reports to InterSystems Reports](#)

- Find out how we use the CCR application to make changes to the CCR application (for reports)
- Find out how we moved from Zen Reports to InterSystems Reports for the CCR application

Feel free to ask questions on the content.

Nice work Jean!!
