## Error starting production

Hello,

I dont know how to activate the production in this version, In cache was from install wizard but now i dont know

```
16:49:24.153:Ens.Director: Production 'REGINUSPKG.HubProduction' starting...
```

```
16:49:24.154:...PKG.HubProduction: ERROR <HSErr>ConfigurationNotActivated: Production cannot start - it  
needs to be activated
```

Thanks!
