## Event reminder: Deltanji and Serenji user group session - tomorrow

We're hosting our Deltanji and Serenji user group session tomorrow - there's still time to register, if you haven't already.

We'll be showcasing some advanced features of Deltanji and Serenji in VS Code with time for a discussion - so feel free to bring along any problems you need help solving or share your feedback on our tools. We'd love to hear your thoughts. If you're interested in our tools this is a great chance to hear what others have to say, as well as asking your own questions.

Date: Wednesday, November 3rd

Time: 11-12pm EDT / 3-4pm GMT.

Let us know you'll be attending on [Eventbrite](#).

We hope to see you tomorrow, but if you're unable to make it you can email me at [laurelj@georgejames.com](mailto:laurelj@georgejames.com) and I can share a recording of the session.
