Video: Embedded Python with Interoperability

Hi Community,

New video is already on [InterSystems Developers YouTube](#):

[Embedded Python with Interoperability](#)

Leverage Embedded Python in your interoperability productions. This session focuses on the advantages Embedded Python offers in the Business Host context and lifecycle. You'll watch a demo integration with AWS SNS and OPC UA server and walk through the building of a Business Host with Embedded Python.

Presented by [@Eduard Lebedyuk](#), Sales Engineer, InterSystems

Enjoy and stay tuned!
