Webinar in Russian: Backup. From Dusk till Dawn

Hey Developers,

We're pleased to invite you to the upcoming "[Backup. From Dusk till Dawn](#)" webinar by InterSystems Russia on December 15 at 10:00 (UTC+3, Moscow time)!

The webinar will cover the following topics:

- Role of backup for:
 - Ensuring fault tolerance.
 - Disaster recovery.
 - Preservation of the logical integrity of information.
- Use of external and internal backup tools.
- Principles for the development of regulations for creating backups.
- Ideology of deployment and integrity check.
- Ways to automate the procedures for creating, validating and restoring backups.

The aim of the webinar is to provide listeners with the best practices, methodologies, and backup algorithms.

Speaker: [@Dmitry Trefilov](#), Sales Engineer, InterSystems

Note: The language of the webinar is Russian.
