[Video] Embedded Python for ObjectScript Developers: Working with Python and ObjectScript Side-By-Side

Hi Developers,

New video is already on InterSystems Developers YouTube:

Embedded Python for ObjectScript Developers: Working with Python and ObjectScript Side-By-Side

Get in-depth instruction on using Python side-by-side with ObjectScript, including:

- Using Python libraries from ObjectScript
- Passing parameters into Python
- Converting types between ObjectScript and Python
- Using ObjectScript classes from Python

Presenter @Bob Kuszewski Product Manager, Developer Experience, InterSystems

Enjoy watching and stay tuned!
