## [Video] Updates on Security: OpenSSL and a New "Security" Database

Hi Community,

New video is already on [InterSystems Developers YouTube](#):

[Updates on Security: OpenSSL and a New "Security" Database](#)

We'll highlight changes resulting from the discontinuation of shipping OpenSSL libraries and the automatic requirements checker. Then we'll give you a preview of the new security database.

Presented by [@Jon Sue-Ho](#), Senior Support Specialist, InterSystems

Stay tuned!
