## Beta test for InterSystems CCR Technical Implementation Specialist certification exam is now available. Beta testers needed!

Hello again CCR community,

We have officially released our CCR Technical Implementation Specialist certification exam for beta testing. The beta test will be available until March 1st, 2022.

Interested in beta testing? Please review all the exam details and recommended preparation [here](#), and then contact the Certification Team at [certification@intersystems.com](mailto:certification@intersystems.com) to get signed up as a beta tester!

Thank you!
