[Video] InterSystems IRIS FHIR Server

Hey Community,

Meet the new video on [InterSystems Developers YouTube channel](#):

[InterSystems IRIS FHIR Server](#)

The InterSystems IRIS FHIR Server helps you create healthcare applications that consume and create FHIR resources without having to create a FHIR infrastructure yourself. Learn how to use the service to bring your applications to market faster and with confidence in the availability, speed, and reliability of your data store.

Presenter [@Patrick Jamieson](#), Product Manager, IRIS for Health, InterSystems
