[Video] Running InterSystems IRIS Workloads in the Cloud: Lessons Learned

Hey Developers,

Join us as we share lessons learned from standing up the initial InterSystems cloud offerings. We'll cover the challenges of standing up a SaaS and how to meet them:

[Running InterSystems IRIS Workloads in the Cloud: Lessons Learned](#)

Presenter [@Eduard Lebedyuk](#), Sales Engineer, InterSystems

Stay tuned for the latest videos on InterSystems Developer [YouTube](#)!
