[Video] Saving on Storage

Hey Community,

Check out the latest video on [InterSystems Developers YouTube channel](#):

[Saving on Storage](#)

While on-prem disks may have become very affordable, reliable block storage in the cloud is often an important cost factor in cloud deployments. Discover recent and planned InterSystems IRIS enhancements focused on minimizing the storage footprint of your InterSystems IRIS deployment. We'll provide measurements taken from InterSystems IRIS and HealthShare deployments.

Presenter[@ Benjamin De Boe](#), Product Manager, InterSystems
