

Announcement

[Kristina Lauer](#) · Mar 25, 2022

March forth with these learning resources!

See what's new in InterSystems Learning Services! In the [March 2022 newsletter](#), you will:

- Get an overview of the new documentation search features.
- Find content to help you prepare for certification as an HL7 Interface Specialist.
- Learn the latest on Embedded Python.
- See how to start performing analytics in InterSystems IRIS® data platform.
