## InterSystems Global Summit 2022

Global Summit returns!

After two years of video conferencing and virtual meetings, we at InterSystems are thrilled to reunite with our partners at InterSystems Global Summit 2022. In our first in-person event since the pandemic started, we're welcoming industry leaders and developers to our flagship conference. Registration is now open!

Date: June 20-23, 2022

Location: Seattle, WA, United States

**Registration is open.**

# INTERSYSTEMS GLOBAL SUMMIT 2022

**Seattle, Washington**  
**June 20 – 23**

Join us this year for content on how customers like you are using our technology for innovation and what trends affect our future innovations, including new and enhanced products and product offerings.

### In-Person

Live Breakout Sessions, Experience Labs, Small Group Idea Exchange

- Cloud & cloud services
- DevOps
- Embedded Python
- HL7® FHIR®

- Analytics
- Product use cases
- New products & services
- Solutions for healthcare, financial services & supply chain/logistics

## Interactive

Because this year's event is live and in-person, there will be ample opportunity for you to interact with

- InterSystems product teams, including heads of healthcare & data platforms solutions
- Technical pros
- Product trainers
- InterSystems partners

and best of all

- One another

## Inspirational

- Speakers from cutting-edge of technology
- Ideas & best practices from peers & InterSystems partners, product developers
- Learning opportunities
- Hands-on experiences with InterSystems technology

The best part: We ' ll do it all together.

[We look forward to seeing you at InterSystems Global Summit 2022!](#)
