Meet Irène Mykhailova - New Developer Community Moderator!

Hi Community,

We're excited to welcome [@ Irène Mykhailova](#) as our new French Moderator in the Developer Community Team!

Let's take a closer look at Irène's bio.

[@ Irène Mykhailova](#) is an associate professor at Igor Sikorsky Kyiv Polytechnic Institute (KPI) and a Content Manager of French InterSystems Community. KPI is a leading technical university in Ukraine.

Some words about Irène:

- She started her career in 2009 as a software developer and has worked on many projects related to manufacturing, postal services, and banking services.
- And in parallel she's written her PhD thesis and worked at the university, bringing her practical experience to the benefit of teaching.
- She's been working with InterSystems technologies since she started teaching in 2011.

Some other facts about Irène:

- She was born in Ukraine in 1987, lived in Kyiv, recently relocated to Wroclaw, Poland.
- Her hobbies are programming, martial arts, traveling, and drums.

WARM WELCOME!

Thank you and congratulations, [@ Irène Mykhailova](#)

Hope you will be a great Moderator!
