# BioStrand Webinar: Accelerate Your Data Interpretation Workflow by Simplifying the Use of Transformer Models & Dictionaries

[Register for our free NLP webinar](#) to learn how to accelerate your data interpretation workflow.

Key learnings from the webinar:

How we connect OMICs layers and text in your research,

How to link your data to multiple knowledge domains using a single simple notebook,

How our API Functions and digital notebooks can support your NLP and OMICs data interpretation to extend your workflows,

Finding associations between the new and the known to aid with data-driven hypothesis generation,

How we help you with a flexible framework to leverage/use a series of transformer models.

Speakers from BioStrand

Sébastien Lemal PhD, Data Scientist
[@ Arnout Van Hyfte](#), CCO & Co-founder

Time & Date:

11 May, Wednesday
3pm CET, 9am EST
