About [@Djeniffer Greffin](#)

- 3 comments on DC
- 1 accepted answer
- Help with InterSystems HL7 Interface Specialist certification exam
- Bronze Master of Answers Badge for 10 accepted answers on DC

"I work as a Solutions Architect in the health industry since 2018. I have been working with InterSystems Technology since 2009. I worked with legacy systems using globals, integrations between LIS and HIS software, with laboratory devices and today I work strongly in the design, implementation, and security of technological solutions within the laboratory."
