## InterSystems Virtual Classroom Training and Certification Exam News

Learning Services has posted the calendar for virtual classroom training through September! All classes are held 9am to 5pm US Eastern time as live, instructor-led virtual classrooms with hands-on exercises and interactive discussions. Go to [classroom.intersystems.com](https://classroom.intersystems.com) to view the schedule, register for a class, or request a private training for 5-15 people at your company.

Taking our classes are part of a great way to prepare for our professional certification exams! Of note, September 7-9 we are offering the [InterSystems Change Control: Tier 1 Basics](#) training which is part of the recommended preparation for the new [InterSystems CCR Technical Implementation Specialist](#) exam. Go to [certification.intersystems.com](https://certification.intersystems.com) to read about the available exams, requirements, and scheduling instructions. Also, InterSystems Certification will be [proctoring free certification exams \(\\$150 value\) at Global Summit 2022](#).
