Latest Available Preview Software for IRIS and IRIS for Health both Community and Enterprise Editions are now available for download on Evaluation

Prospects, Customers, and Employees can now download IRIS and IRIS for Health both Community and Enterprise editions on <https://evaluation.intersystems.com>

This will allow for new features not yet released to be tested by prospective customers and current customers to sample the latest and greatest that is in the works.

How to View:

For Prospects simply selecting an option with "(Preview)" in the Name will allow for download of preview software
