Blind vote!

The number of votes for each app will be hidden from everyone. Once a day we will publish the leaderboard in the comments to this post.

The order of projects on the contest page will be as follows: the earlier an application was submitted to the competition, the higher it will be in the list.

P.S. Don't forget to subscribe to this post (click on the bell icon) to be notified of new comments.

To take part in the voting, you need:

1. Sign in to [Open Exchange](#) – DC credentials will work.
2. Make any valid contribution to the Developer Community – answer or ask questions, write an article, contribute applications on Open Exchange – and you'll be able to vote. [Check this post](#) on the options to make helpful contributions to the Developer Community.

If you changed your mind, cancel the choice and give your vote to another application!

[Support the application you like!](#)

Note: contest participants are allowed to fix the bugs and make improvements to their applications during the voting week, so don't miss and subscribe to application releases!
