ERROR <FILEFULL>%SaveData

Hello,

I'm using a ComplexBatchFileService to retrieve and process a 425 Mo File (lines)

At some point the Business Service is in failure , and displays this error :

```
ERREUR #5002: Erreur Cache: <FILEFULL>%SaveData+18 ^CFAO.EOS.MasterFilePR.PMP.RM.ART1.Record.1  
^CFAO.EOS.MasterFileE50F.RecordD(535405931),e: /eos /
```

+

```
ERREUR #5002: Erreur Cache: <ROLLFAIL>%TRollBack+10 ^%occTransaction
```

Do you have any idea about the cause of this error ? (i have checked the iris databases disk space and it's not full)

Thank you in advance.
