Global Summit Greetings Video from DC members - take part!

UPD: check out the Greetings video [here](#)

Hi Community!

As you know, this year Global Summit is back in-person. We really want to see everyone there!

Not all of the Community members can attend (me either!), so we decided to produce a cool VIDEO with Greetings from Our Community Members

Let's join virtually this great event from all around the World!

Upload [in this challenge](#) a short (2-3 sec) VIDEO of you saying "Hi from your country" to our Community Members. So, we could combine it with the other videos from our members and present it on Global Summit 2022. You can also just send me a link to a shared file in DM.

Deadline: June 18, Friday, till the end of the day!

See you there!
