Brand New "About Us" Page

Hey Community,

Let me introduce to you our brand new "About Us" page!

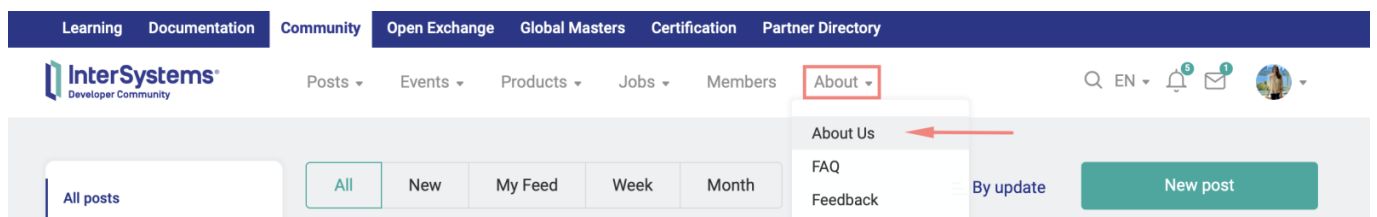

community.intersystems.com/about

On it, you will find general info about our Developer Community, interesting statistics, useful links, and much more!

[Check it out](#), maybe you will learn something new even if you've been a member for quite a while.

To reach it, just go to the top menu, open the About section, and choose About us:

We hope you'll find it informative, aesthetically pleasing, and useful in navigating all the exciting opportunities open

Brand New "About Us" Page

Published on InterSystems Developer Community (<https://community.intersystems.com>)

to you on Developer Community!

Feel free to share your feedback in the comments. Enjoy ;)
