## [Video] What's New in Financial Services

Hi Community,

In this video, you will learn how our financial services customers are using InterSystems IRIS to connect to a range of internal and external systems and sources to deliver a 360-degree view of a business and accelerate digital transformation initiatives:

[What's New in Financial Services @ Global Summit 2022](#)

Presenter: [@Joe Lichtenberg](#), Product and Industry Marketing Director, InterSystems

Subscribe to [InterSystems Developers YouTube](#) to receive updates!
