First Community Roundtable: VSCode vs Studio

Hi Community,

Let's meet virtually at our first Community Roundtable! This will be a 45-min friendly discussion on a given topic: VSCode vs Studio.

Imagine that we just gathered together to share our thoughts, experiences, tips, and tricks. If you want to discuss specific questions within a given topic - please share them in the comments.

Watch recording:

Register through this [Global Masters challenge](#). We will send you a calendar invite by email.

Date: September 29

Time: 9:00 am ET | 3:00 pm CEST
