## Key Questions of the Month: September 2022

Hi DC Members,

This September, you [posted](#) 79 new questions on Developer Community:

Questions

Here are the Key Questions of September chosen by InterSystems Experts:

[Using arrays in \\$system.external .NET gateway](#) by [@Enrico Parisi](#)

[Strings Longer than "Long Strings"...](#) by [@John Flippance](#)

[System having trouble writing data to disk](#) by [@Rochdi Badis](#)

These questions will be highlighted with the [#Key Question tag](#), and their authors will get the Key Question badge on Global Masters.

Congrats, and thank you all for your contributions!

See you next month ;)
