# The 1st InterSystems Idea-A-Thon Winners - hooray!

Hello Community,

[The 1st InterSystems Idea-A-Thon](#) is over. As a result, [75 brilliant ideas](#) – an absolute success, wow!

Thank you all for participating with your ideas and contributing with your votes and comments!

And now we're so glad to announce the winners...

## Expert Award

[Change Management for Editors inside of Portal](#) submitted by [@ Scott Roth](#)

## Community Award

To show our appreciation to our participants, we've decided to expand our Community nomination and award several top-voted ideas:
[Nodejs with IRIS a dynamic platform](#) submitted by [@ Sharafat Hussain](#)

[E-learning for job](#) submitted by [@ Andre Larsen Barbosa](#)

[Code snippets library](#) submitted by [@ Danny Wijnschenk](#)

*All the winners will receive one of our specially prepared prizes: LEGO Star Wars™ R2-D2™ /BOSE Sleepbuds™ II /BOSE SoundLink Flex Bluetooth® speaker bundle.*

In addition to our winners, we'd like to highlight all our participants and their bright ideas. Let's meet all of them:

Spoiler

*All Idea-A-Thon participants will get our special InterSystems Branded T-shirt*

OUR BIG CONGRATULATIONS TO ALL WINNERS AND PARTICIPANTS!

Thank you for such great contributions to the official InterSystems feedback portal

*Important note: The prizes are in production now. We will contact all the participants when they are ready to ship.*
