[Video] A Payer's Journey to Regulatory Compliance and Beyond

Hi Developers,

Enjoy watching the new video on [InterSystems Developers YouTube](#):

[A Payer's Journey to Regulatory Compliance and Beyond @ Global Summit 2022](#)

Learn how CareSource, a U.S.-based payer, plans to leverage HealthShare beyond meeting CMS Interoperability rules. You'll get background on the U.S. regulations and CareSource's decision to select HealthShare. Then we'll take a deep dive into the implementation and lessons learned. There will be some technical discussion about the architecture of CareSource's solution, including the implementation of the FHIR server. We'll end with CareSource's future plans to leverage the infrastructure for other use cases.

Presenter: Eric Tienda, Enterprise Architect, CareSource

Enjoy watching and stay tuned!
