[Webinar] What's New in InterSystems IRIS 2022.2

Hello Community,

We're happy to announce that the InterSystems IRIS, IRIS for Health, HealthShare Health Connect, & InterSystems IRIS Studio 2022.2 is out now!

And to discuss all the new and enhanced features of it we'd like to invite you to our webinar What's New in InterSystems IRIS 2022.2.

In this webinar, we'll highlight some of the new capabilities of InterSystems IRIS® and InterSystems IRIS for Health™, version 2022.2, including:

- Columnar storage - beta release
- New rule editor
- SQL enhancements
- Support for new and updated platforms
- Cloud storage connectors for Microsoft Azure and Google Cloud

Speakers:
    @ Bob Kuszewski, Product Manager, Developer Experience
    @ Benjamin De Boe, Product Manager

This time around, we've decided to host these webinars on different days for different timezones, so that everyone is able to choose the time to his or her liking. Here they are:
