Force stopping a task

Hi Guys,

I've a task scheduler that is stuck in Running is there a way for force stopping it?

Last Started:	2022-11-07 10:35:08
Last Finished:	Task is running...
Next scheduled time:	2022-11-07 10:35:00
Interval between runs:	Every 5 minute(s) between 00:00:00 and 00:00:00

Thanks
