Congratulations, Henry!

"I'm a technical leader at BPlus Tecnologia, but I'm completely passionate with code, and solving problems.
Working in IT for more than 20 years with a bunch of programming languages, and with InterSystems technology since 2016.
I'm Brazilian, but I don't know how to dance samba, and I'm the worst in soccer (sorry dad).
In my free time I play electric guitar in a band, releasing my rock'n roll spirit and I love spending quality time with my two kids and wife."
