Advent of Code 2022: join ObjectScript contest to win and have fun!

Hey Developers,

We know you've been waiting for this for a whole year. The time has finally come!

Join the [Advent of Code 2022](#) with InterSystems and participate in our ObjectScript contest to win \$\$\$\$ prizes!

[Our Leaderboard](#)

Join the ObjectScript private leaderboard with this code: 130669-ab1f69bf.

Note: You need to sign in to Advent of code (e.g. with GitHub / Google / Twitter / Reddit account) to see the leaderboard and participate in the contest.

Prizes:

1st place - \$3,000

2nd place - \$2,000

3rd place - \$1,000

All winners will also get a special high-level Global Master badge.

Note: InterSystems employees are not eligible for money prizes.

Win Conditions:

1. To win our prize you should be on the top of the [ObjectScript Leaderboard](#) and upload all the solutions in a public repository on GitHub and present the code in InterSystems ObjectScript in UDL form as presented in the template below:

[The Advent of Code ObjectScript template](#)

2. There should be no errors in the [ObjectScript quality scanner](#) for your project.
3. All participants have two days (December 26-27) to make their repositories public. Winners will be announced on December 28-29.
4. All participants must be registered on the InterSystems Developer Community.

The first puzzles will unlock on December 1st at midnight EST (UTC -5).

See you then and good luck to all of you!
