Third Community Roundtable: Developing with Python

Hi Community,

Let's meet virtually at our Third Community Roundtable! This will be a 60-min discussion on a given topic: Developing with Python.

Register through >> [this Global Masters challenge](#) <<

UPDATE: the roundtable recording is available [here.](#)

Host: [@ Guillaume Rongier](#)
Presenters: [@ Eduard Lebedyuk](#) , [@ Guillaume Rongier](#)

> Date: November 23
> Time: 9:00 am ET ¦ 3:00 pm CEST

Please prepare your questions - and let's discuss!
Share your questions in the comments to this post, or send them to me in DM.

Hope to see you at the roundtable!

P.S. if you are not a Global Masters member yet - please join the program [here](#) using your InterSystems SSO credentials and complete the onboarding "Customize your program" challenge.
