Meet "Developer Connections" - connect 1:1 with other developers on Global Masters

Hi Community,

We're excited to announce a new Developers Connections activity on Global Masters.

Do you have a tricky question/topic you wish to discuss with someone with hands-on experience? We want to make it easy for you to network, brainstorm ideas and discuss questions with your peers.

Now you can request a connection on a certain topic via Global Masters challenge, and also reply to others' requests! [Check out the "Connections" channel](#)
