[Video] Using Python with InterSystems IRIS

Hi Developers,

Enjoy watching the new video on [InterSystems Developers YouTube](#):

[Using Python with InterSystems IRIS @ Global Summit 2022](#)

Witness all the ways you can use InterSystems IRIS with Python traditional client/server, Embedded Python, and the Python Gateway. Learn when to use each of them.

Presenters

[@Bob Kuszewski](#), Product Manager, Developer Experience, InterSystems

[@Stefan Wittmann](#), Product Manager, InterSystems

[@Raj Singh](#), Developer Experience Product Manager, InterSystems

Enjoy it and stay tuned!
