[Video] Real-World CI/CD: Keep Calm & Build On

Hi Developers,

Enjoy watching the new video on InterSystems Developers YouTube:

Real-World CI/CD: Keep Calm & Build On @ Global Summit 2022

Learn how one of our customers has built a complete, modern, CI/CD (Continuous Integration/Continuous Delivery) pipeline for an InterSystems IRIS®-based application using tools like Docker, Git, unit tests, and Azure DevOps to roll out new features comfortably and continuously. Learn how you can lower the stress of service delivery.

Presenters:
@ Andries Demont, Sales Engineer, InterSystems
@ Jelle Michiels, Sales Engineer, InterSystems

Savor it and stay tuned!
