Congratulations, Dmitriy!

"For the last 15 years, changed several companies, working in different sectors, with different sizes of projects, and even in different countries. But always stayed with InterSystems. Participant of several latest InterSystems Global Summits in a row and some other events in Europe, as well as a speaker sometime. Author of VSCode extension for ObjectScript, and few other open-source projects.

And now Co-founder and CTO at [CaretDev Corporation](#), where now I am able to use my knowledge and experience to help companies working with InterSystems technologies to become more powerful and productive."
