## See what you've been up to in 2022!

Dear DC members,

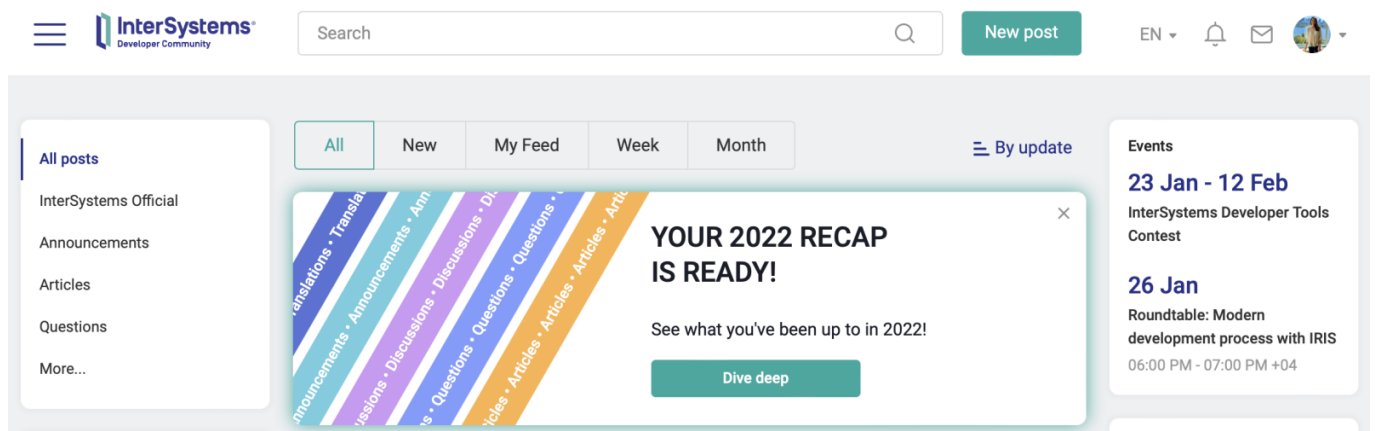

We're super excited to share with you our latest Developer Community feature!

### YOUR 2022 RECAP

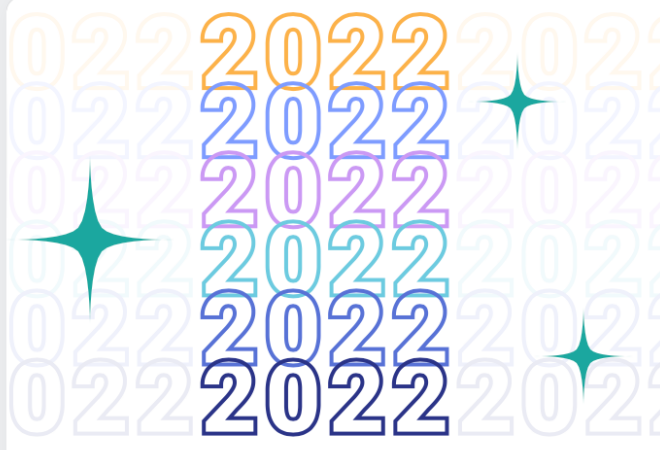

Each member now has access to their personalized 2022 activity summary – an overview of their contributions, including the number of posts, comments, views, top and favorite posts / tags, and much more!

You must have spotted a new banner at the top of the main page:

Click on the Dive deep button to see your personal highlights of the year! Example:
